Holiday Giving Opportunity

We will be collecting wish list items for
Lighthouse of Oakland County

**New this year we will also be giving to
The Rainbow Connection**

The Rainbow Connection makes dreams come true for Michigan children diagnosed with a life threatening illness. Planet Kids will be having a fundraiser by donating special items that will be placed in a large envelope called a Happy Pack. Envelopes will then be filled with the items that have been collected and then mailed out to a special child that is in need of having their day brightened. This program is a rewarding experience that allows children to make a difference in their own community by helping their peers during this most difficult time.

More information to come.
